Independence House will host the 18th annual Independence House Domestic Violence Awareness Month Community Breakfast, sponsored by the Cape Cod Five Cent Savings Bank Charitable Foundation Trust, on Thursday, October 4, from 8 to 10 AM at the Doubletree by Hilton in Hyannis.

This year's community breakfast theme is "Hear My Voice." A multi-demographic panel of survivors will share their stories of violence and abuse. The event will conclude with a candle lighting in remembrance of the domestic violence homicides that occurred in Massachusetts this past year.

The Independence House Silent Witness display will begin its annual tour across Cape Cod at the breakfast, with each Silent Witness figure representing homicide victims.

This event is free only for those who reserve a spot. Send an e-mail to Donna at [donnag@indhouse.net](mailto:donnag@indhouse.net) with your request to attend, and include full name, any company and position title if applicable, address, phone number and e-mail. An e-mail confirming the reservation will be sent.
